ACKNOWLEDGEMENT

With immense pleasure and sense of satisfaction we present the project as part of the curriculum of the Degree in Computer Science & Engineering. We wish to thank all the people to give us and unending support right from idea was conceived. We are very fortunate to be guided by the vast and resourceful experience in their respective field of work.

We express our sincere gratitude to our guide Prof. Jayanti P. Chaubey for their timely guidance, extensive support and suggestion. We are also thankful for their sincere help in proving facilities of the department.

Our sincere thanks to our HOD Dr. Dilip K. Maghade the teaching and non-teaching staff for the help extended by them for making this project a success.

Thanking you..!
